

COUNTY ZONE CHANGE PRE-APPLICATION INFORMATION FORM

Yellowstone County requires a pre-application neighborhood meeting for each zone change request. The Planning Division will provide a list of property owners within 300 feet of the exterior boundary of a proposed zone change. This list of owners is based on best available information but is not certified by the Clerk & Recorder of Yellowstone County. A certified list of surrounding property owners is still required at the time a zone change application is submitted to the Planning Division.

The surrounding property owners within 300 feet and the Planning Division must be notified by mail at least seven (7) calendar days in advance of the required pre-application neighborhood meeting.

The meeting notice must contain the following information (Section 27-1508(b) 1-3):

1. Date, time & location of the meeting.
2. Legal description of the subject parcels along with a map showing the dimensions, acreage and location of the parcels.
3. The names and addresses of the owner(s) of the subject property.
4. A zone change plan with a written description of the proposed zone change including the area in square footage or acres to be included in the zone change.

The pre-application neighborhood meeting must be conducted at least seven (7) calendar days prior to submitting a zone change application. The Planning Division encourages applicants to conduct these meetings within the immediate area of the subject property.

The owner(s), contract purchasers (if any) and agents (if any) are required to submit this completed form and any attachments along with a completed zone change application packet, including any required fees, for a zone change to be processed by the Planning Division.

NOTICE TO PETITIONER

The Zoning Coordinator will check the application for completeness after the deadline date. If the application is unacceptable, you will be notified as to what changes need to be made. Incomplete and/or unacceptable applications may delay the review process by four weeks or longer. Make sure your application is totally complete or your request will be delayed.

INSTRUCTIONS

Yellowstone County requires a pre-application neighborhood meeting for each zone change request. The Planning Division will provide a list of property owners within 300 feet of the exterior boundary of a proposed zone change. This list of owners is based on best available information but is not certified by the Clerk & Recorder of Yellowstone County. A certified list of surrounding property owners is still required at the time a zone change application is submitted to the Planning Division.

The surrounding property owners within 300 feet and the Planning Division must be notified by mail at least seven (7) calendar days in advance of the required pre-application neighborhood meeting.

The pre-application neighborhood meeting must be conducted at least seven (7) calendar days prior to submitting a zone change application.

All applications shall be submitted in person at the Planning & Community Services Department, 4th floor of the Parmly Library, 510 North Broadway. The filing fee must accompany the application in order for it to be accepted. No mailed applications will be accepted.

All questions must be answered fully. Please type or print. You may attach further pages if additional space is needed. All plans and other exhibits submitted with this application will be retained as a part of the permanent record.

1. Answer the following questions:
 - A. In what ways is your proposal consistent with the goals and policies of the adopted Growth Policy?
 - B. Explain your need for the intended zone change and why the property cannot be used under the existing zoning. Explain how the new zoning will fit in with the existing zoning and land uses of the immediate area.
2. Photographs may be submitted and are often helpful. They should be of a size adequate to show the nature of the property.
3. Pre-Application Information Form and attachments including the statement of owner(s) or agent(s) affirming the following: 1) the pre-application neighborhood meeting was held, and 2) the zone change application is based on materials presented at the meeting. Include a copy of the meeting notice, written materials mailed or provided at the meeting, a brief synopsis of the meeting results and audio or written minutes of the meeting.
4. Obtain from the Planning & Community Services Department a three hundred (300) foot radius map showing all property which lies within 300 feet of the exterior boundaries of the subject property.
5. Obtain a certified list of names and addresses of the owners of all property shown within the 300 foot radius on the map as provided by the Planning & Community Services Department. The first step is to take the radius map to the Montana Department of Revenue. The Department of Revenue is located on the 14th Floor of the Wells Fargo building at the southeast corner of North 27th Street and 2nd Avenue North. The Department of Revenue will generate a list of property owners and forward this list to the County Clerk & Recorder who will certify the list and notify you when it is complete. There is a certification charge, payable to the County Clerk & Recorder, of .50 cents per certified name. This list of names and mailing addresses must then be placed on gummed mailing labels and must be typed or neatly printed.
6. A filing fee must accompany all applications for Zone Changes. No application for a Zone Change will be accepted until the filing fee is paid in full. Checks shall be made payable to the *City of Billings*. **THIS APPLICATION FEE IS NON-REFUNDABLE AND IS NO GUARANTEE THAT THE ZONE CHANGE WILL BE GRANTED.**

RESIDENTIAL: \$715.00

COMMERCIAL: \$990.00

A \$45.00 deposit for posting of zoning request signs is required at the time the application is received. The deposit will be returned when the sign is returned by the applicant or agent at the first public hearing. If the sign is not returned at the first public hearing, the deposit will be retained.

7. A public hearing shall be held in all petitions for a change in zone classification. As part of the notification procedure, the Zoning Coordinator will notify the property owners on the list prepared by the petitioner for the proposed zone change. All persons identified as owners of property within 300

feet of the exterior boundaries of the property proposed to be rezoned shall be notified by mail not less than fifteen (15) days prior to the date of the public hearing before the County Zoning Commission. In addition, notification of the proposed rezoning shall be posted in a conspicuous place on the property, and legal notice shall be published not less than fifteen (15) days prior to the public hearing in a newspaper of general circulation.

8. **IMPORTANT NOTICE TO PETITIONER:** You will be notified by mail as to the time, date and place of the public hearing on your petition. Attendance at the public hearing is not required, but is strongly recommended, so that you may present your case to the Commission.

Procedures and Review Criteria for Zone Change requests
Unified Zoning Regulations Section 27-1508 et seq.

SEC. 27-1508. AMENDMENTS TO CHAPTER.

(a) *General.* The regulations, restrictions and boundaries set forth in this chapter may, from time to time, be amended, supplemented, changed or repealed by the board of county commissioners provided, however, that no action on any application for amendment, change or repeal may be taken until the application has first been processed and advertised in accordance with the provisions of this chapter.

(b) **Application for map amendments.** Unless initiated by the board of planning or board of county commissioners, all applications for an amendment to the official map, or to the text of this chapter must be submitted in person by the property owner, the contract purchaser or the authorized agent of the property owner. Proposals to amend this chapter, except for the official zoning map, may also be initiated by the county zoning commission. An application for an amendment affecting the same property shall not be submitted more than once every twelve (12) months.

Each application to amend the official map or text shall be filed with the zoning coordinator, and each application shall be submitted under the following conditions:

(1) The applicant or his/her authorized agent shall submit the following information to the planning department to begin the zone change process:

- a. **Legal description of the subject parcel(s), along with a map showing the dimensions, acreage and location of the parcel(s);**
- b. **The names and addresses of the owner(s) of the subject property and contract purchasers, if any, and their agent(s), if any, along with the recorded property owner's signature;**
- c. **A zone change plan which shall consist of the following:**
 - i. **A written description of the proposed zone change including the area in square footage or acres to be included in the zone change.**
 - ii. **If there are multiple zone changes proposed, the location and area of each specific new zoning district.**

- (2) The planning department shall provide a list of surrounding property owners within a radius of three hundred (300) or more feet, as determined by the zoning coordinator, of the

exterior boundaries of the tract(s) to the applicant or his/her agent based on the submitted information.

- (3) The applicant or his/her agent shall conduct a pre-application neighborhood meeting to explain the proposed new zoning and receive comment from the surrounding property owners. The applicant or his/her agent shall notify in writing the persons on the surrounding property owner list as provided in subsection (2) and the planning department of the date, time and location of the pre-application neighborhood meeting. The written notification shall be mailed at least seven (7) calendar days prior to the scheduled meeting. The written notification shall include all the materials noted in subsection 27-1508 (b) 1. The pre-application neighborhood meeting shall be conducted at least seven (7) calendar days prior to the submittal of the proposed zone change to the planning department. The applicant shall obtain a roster of the names of the persons that attend the pre-application neighborhood meeting and make a record of the minutes of the meeting.**
- (4) Once the pre-application neighborhood meeting has been conducted the applicant or his/her agent may submit a zone change application and it shall include, but not be limited to, the following information:
- a. A legal description of the tract(s) proposed to be rezoned;
 - b. A map showing the dimensions, acreage, and location of the tract(s) and adjacent land uses;
 - c. The present and proposed classification for the tract(s);
 - d. A certified list of the names, addresses and legal descriptions of the owners of property within a radius of three hundred (300) or more feet, as determined by the zoning coordinator, of the exterior boundaries of the tract(s);
 - e. Gummed mailing labels with the names and mailing addresses typed or printed neatly of all of the property owners indicated on the certified list;
 - f. The names and addresses of the owner(s) of the land and their agents, if any, along with the recorded property owner's signature; and
 - g. Payment of all applicable fees.
 - h. A signed statement affirming the pre-application neighborhood meeting was conducted in conformance with the requirements of Section 27-1508 (b) 3, and the zone change application is based on material presented at the meeting. The signed statement shall include a copy of the meeting notice, any written materials provided to the surrounding property owners, a brief synopsis of the meeting results, a roster of the persons attending the meeting and audio or written minutes of the meeting.
- (5) Any application for an amendment to the official map must be submitted together with all applicable fees, to the zoning coordinator twenty (20) days prior to the date of the public hearing before the Yellowstone County zoning commission.
- (6) An application may be withdrawn at any time prior to the publication of the legal

advertisement for the public hearing before the county zoning commission without respect to the twelve (12) month waiting period. After legal notice for the county zoning commission public hearing has been published, the request for withdrawal shall be submitted to the planning department office at least twenty-four (24) hours prior to the public hearing. The county zoning commission may allow withdrawal of the application, after advertisement of the zoning commission public hearing has been published, by a majority vote of the members present, without prejudice with respect to the twelve (12) month waiting period after the application has first been submitted. However, no application shall be allowed to be withdrawn more than once within the twelve (12) month period after the application shall have first been submitted.

- (7) An applicant requesting a zone change may request a thirty (30) day delay on the hearing of his/her application before the county zoning commission. The request for the delay and reasons must be submitted in writing to the planning office or chairman of the county zoning commission twenty-four (24) hours in advance of the public hearing. Approval of a delay shall require a majority vote of the members present, without requiring county commission approval of the delay. Only one such delay shall be allowed on any application.

(c) *Planning department action.* The zoning coordinator, upon receiving an application for rezoning an area or a particular piece of property, shall do the following:

- (1) Consult with other departments of the city and/or county to fully evaluate the impact of any zoning change upon public facilities and services including, but not limited to schools, drainage, traffic and related facilities;
- (2) Study each application with reference to its appropriateness and effect on existing and proposed land uses, and its correspondence with the comprehensive plan;
- (3) Advertise notice of the application in a newspaper of general circulation at least fifteen (15) days in advance of the date of the county zoning commission public hearing. The notice shall contain: the classification sought, the location of the property, and the date, time and place of the county zoning commission public hearing;
- (4) Notify, by mail, the applicant and/or his/her authorized agent at least five (5) days prior to the date of the county zoning commission public hearing of the date, time and place of such hearing;
- (5) Notify, by mail, all property owners within three hundred (300) feet of the exterior boundaries of the property subject to the rezoning of the date, time and place of the county zoning commission public hearing and the existing and proposed classification at least fifteen (15) days in advance of that date. The zoning coordinator may notify property owners within a radius of more than three hundred (300) feet if he/she determines that the proposed rezoning of the property would likely have a substantial impact on the surrounding land uses;
- (6) Place notice of the county zoning commission public hearing on the property subject to rezoning at least fifteen (15) days in advance of the date of the public hearing; and

- (7) Report his/her findings and conclusions in writing to the county zoning commission, which report shall be a matter of public record.

(d) *County zoning commission action.* The county zoning commission shall review and take action upon each application in accordance with the provisions of this chapter, and after a public hearing for which the application has been legally advertised. Each application shall be presented to the county zoning commission by the zoning coordinator or his/her designee, together with his/her findings and conclusions on the matter. The county zoning commission may, by a majority vote of the members present, delay action for a period not to exceed thirty (30) days, without prejudice to the applicant. A report of the commission's decision and the zoning coordinator's findings and conclusions shall be submitted to the board of county commissioners.

The county zoning commission shall make a recommendation to the board of county commissioners to:

- (1) Approve the application; or
- (2) Deny the application.

The county zoning commission shall submit its recommendations in writing along with a statement indicating its reasons for granting, denying, or allowing withdrawal of the amendment within fifteen (15) days following the public hearing. In no case shall the county zoning commission make a recommendation that an amendment be granted for an amendment that was not legally advertised.

In making its recommendation to the board of county commissioners for an amendment to the official map or text of this chapter, the county zoning commission shall consider, among other things, the following:

- (1) Whether the new zoning was designed in accordance with the comprehensive plan;
 - (2) Whether the new zoning was designed to lessen congestion in the streets;
 - (3) Whether the new zoning will promote health and general welfare;
 - (4) Whether the new zoning will secure safety from fire, panic and other dangers;
 - (5) Whether the new zoning will provide adequate light and air;
 - (6) Whether the new zoning will prevent the overcrowding of land;
 - (7) Whether the new zoning will avoid undue concentration of population;
 - (8) Whether the new zoning will facilitate the adequate provision of transportation, water, sewerage, schools, parks, fire, police and other public requirements;
 - (9) Whether the new zoning gives reasonable consideration to the character of the district;
 - (10) Whether the new zoning gives reasonable consideration to peculiar suitability of the property for particular uses;
 - (11) Whether the new zoning was adopted with a view to conserving the value of buildings; and
 - (12) Whether the new zoning will encourage the most appropriate use of land throughout Yellowstone County.
- (e) *Board of county commissioners action.* Notice of the board of county commissioners public

hearing shall be placed in a newspaper of general circulation. The notice shall contain the time, date and place of the board of county commissioners public hearing. Before taking any action on an application for an amendment to the official map, or amendment to the text of this chapter the board of county commissioners shall first consider the findings and recommendations of the county zoning commission. In no case shall the board approve an amendment for a classification other than the one advertised. The board shall:

- (1) Approve the application;
- (2) Deny the application;
- (3) Allow withdrawal of the application; or
- (4) Delay action on the application for a period not to exceed thirty (30) days.

(Ord. No. 97-5048, § 13, 12-22-97)

PRIMARY GOALS AND OBJECTIVES OF THE 2003 GROWTH POLICY

Land Use Element

1. ISSUE: Existing neighborhood plans lack sufficient detail to address neighborhood character and preferred land use patterns.

GOAL: Predictable land use decisions that are consistent with neighborhood character and land use patterns.

OBJECTIVES:

- Preserve neighborhood integrity.
- Empower neighborhood groups.

2. ISSUE: The current zoning ordinances and subdivision regulations do not meet the goal of preventing incompatible uses in and adjacent to existing City neighborhoods and County townsites.

GOAL: New developments that are sensitive to and compatible with the character of adjacent City neighborhoods and County townsites.

OBJECTIVES:

- Maintain a high quality of life for new and existing residents.
- Reduce conflicts between neighbors.
- Improve the appearance of land uses.

3. ISSUE: Rural townsites are not prepared to handle increased growth.

GOAL: Growth management tools available to rural townsites.

OBJECTIVES:

- Empower communities to direct growth.
- Use County resources and services more efficiently.
- Create a sense of community.

4. ISSUE: Urban sprawl threatens the rural character of land surrounding Billings, increases the cost of providing public services, and threatens the vitality of the city core and downtown area.

GOAL: Contiguous development focused in and around existing population centers separated by open space.

OBJECTIVES:

- Ensure the continued functionality of natural systems.
- Use City and County resources in a cost effective manner.
- Create attractive communities.

5. ISSUE: There is a serious lack of affordable housing for low to moderate income households.

GOAL: Affordable housing for all income levels dispersed throughout the City and County.

OBJECTIVES:

- Improve the quality of life of low income people.
- Preserve and rehabilitate the existing supply of affordable housing.
- Promote social equity and diversity.
- Create more affordable housing and work towards replacing housing lost through demolition.

6. ISSUE: There is a desire for more mixed-use neighborhoods.

GOAL: More housing and business choices within each neighborhood.

OBJECTIVES:

- Improve quality of life.
- Encourage more live-work environments.
- Reduce commuting and subsequent drain on natural resources.
- Develop more self-contained neighborhoods.

Economic Development

1. ISSUE: Lack of focus in economic development.

GOAL: Coordinated economic development efforts that target business recruitment, retention, and expansion.

OBJECTIVES:

- Improve the quality of life for residents.
- Strengthen area economy.
- Create living-wage jobs.

2. ISSUE: Lack of living-wage jobs.

GOAL: Increase the median income of households and individuals.

OBJECTIVES:

- Improve the quality of life for residents.
- Attract and retain skilled labor.
- Reduce dependency on social programs.

3. ISSUE: Entryways to our communities should be attractive and not present physical barriers discouraging economic development.

GOAL: Attractive and accessible communities.

OBJECTIVES:

- Encourage new businesses to locate in Billings and gateway areas.
- Reduce travel time through town.
- Convey a business-friendly attitude.
- Increase the visual appeal of our highway and railroad corridors.

4. ISSUE: Government supported programs and improvements are not sufficiently funded.

GOAL: Improved public services.

OBJECTIVES:

- Construct safe and efficient infrastructure.
- Respond in a timely manner to public service needs.

5. ISSUE: Like many other Montana cities, the economic viability of Downtown Billings is uncertain.

GOAL: An economically and culturally vibrant Downtown Billings.

OBJECTIVES:

- Preserve and promote economic development of Downtown Billings.
- Create a strong central “core” for our community.
- Establish downtown as a recognizable landmark.

Aesthetics

1. ISSUE: There are areas in the City and County that are unattractive and present a poor image of the community.

GOAL: Visually appealing communities.

OBJECTIVES:

- Improve the image of the community.
- Instill pride in the community.
- Improve the quality of life for residents.

2. ISSUE: New development and signs, cell towers, power lines and other structures could reduce the visual quality of the rims.

GOAL: Unobstructed views of the rimrocks surrounding the City of Billings.

OBJECTIVES:

- Improve the visual image of Billings.
- Protect a publicly recognized landmark.

3. ISSUE: Urban interstate corridors through the County are unattractive.

GOAL: An inviting and attractive urban interstate corridor through the County.

OBJECTIVES:

- Improve signage standards.
- Provide more aesthetic open space.
- Develop more greenspace.
- Develop attractive and well-maintained rest areas.

Natural Resources

1. ISSUE: The quality of the Yellowstone River and the associated riparian habitat is threatened.

GOAL: A healthy river ecosystem system that supports multiple uses.

OBJECTIVES:

- Ensure high water quality.
- Ensure continued recreational access.
- Protect wildlife and wildlife habitat.

2. ISSUE: Water is an important resource and it is becoming scarcer.

GOAL: A sustainable supply of clean water.

OBJECTIVES:

- Protect public health.
- Reduce the cost of groundwater remediation.

3. ISSUE: Due in part to the arid nature of our environment and the remoteness of some developments, there is an increased risk to human life and property from wildfires.

GOAL: Minimize loss of life and property damage resulting from wildfires.

OBJECTIVES:

- Save lives and property.
- Utilize fire protection resources more efficiently.
- Protect the natural environment.

4. ISSUE: Weeds detract from the beauty of an area, pose a fire danger, and reduce the productivity of agricultural land.

GOAL: Controlled weed populations.

OBJECTIVES:

- Improve range productivity.
- Preserve native vegetation.
- Reduce the risk of wildfire and potential for erosion.

5. ISSUE: Human encounters with wildlife often result in a painful consequence for wildlife, pets, and humans.

GOAL: Reduced opportunities for negative human and wildlife encounters.

OBJECTIVES:

- Reduce needless injury or death of wildlife and pets.
- Minimize property damage caused by wildlife.
- Protect human life and property.

6. ISSUE: Certain development is damaging our natural resources.

GOAL: Protection of groundwater, surface water, riparian areas, air quality, and productive agricultural land.

OBJECTIVES:

- Use City and County resources in a cost effective manner.
- Protect public health.
- Ensure the continued systems.

Open Space and Recreation

1. ISSUE: Some neighborhood parks appear to receive more funding for improvements than other neighborhood parks.

GOAL: Rational consideration of neighborhoods for park expenditures.

OBJECTIVES:

- Provide well-maintained and equipped neighborhood parks and improve undeveloped parks.
- Create neighborhood parks designed to meet the needs of the neighborhood.
- Empower neighborhoods to provide direction for budgetary decisions.

2. ISSUE: Billings and Yellowstone County need more major recreation facilities and need to improve those we already have.

GOAL: Recreation facilities that serve the diverse recreational needs of Billings and Yellowstone County.

OBJECTIVES:

- Meet the recreation needs of City and County residents.
- Improve the quality of life of residents.
- Encourage the development of all athletes.

3. ISSUE: Private land development sometimes restricts access to public land.

GOAL: Accessible public lands.

OBJECTIVES:

- Improve relations between users and landowners.
- Ensure the public use of public land.

4. ISSUE: Billings and surrounding County townsites needs more multiple use trails.

GOAL: A multi-purpose trail network integrated into the community infrastructure that emphasizes safety, environmental preservation, resource conservation and cost effectiveness.

OBJECTIVES:

- Develop non-motorized connections between residential neighborhoods and work places.
- Provide convenient access to bicycle and pedestrian facilities.
- Improve quality of life for residents.

5. ISSUE: Public access to areas above and below the rimrocks is limited and decreasing each year.

GOAL: Protect and increase the availability of public access to natural areas and trails near the rims.

OBJECTIVES:

- Protect public use of a well-recognized and economically valuable natural resource.
- Increase recreation options for residents.
- Preserve a unique Billings' feature.

Transportation

1. ISSUE: Speeding in City neighborhoods and outlying communities.

GOAL: Safe traffic speeds consistent with the surrounding uses.

OBJECTIVES:

- Decrease pedestrian-vehicle accidents.

- Promote non-motorized transportation modes.
 - Promote cooperative speed enforcement.
2. ISSUE: Safe and efficient traffic circulation around and through the City.
 GOAL: Efficient cross-town and in-town traffic.
 OBJECTIVES:
- Reduce travel times.
 - Create convenient traffic connections.
 - Employ adaptable design options.
 - Provide multiple intercity travel options.
3. ISSUE: Lack of adequate traffic control.
 GOAL: Reduced rate of vehicle collisions.
 OBJECTIVES:
- Reduce potential harm to people and property.
 - Maintain safe and efficient traffic flow.
4. ISSUE: The design of roads, streets, and pedestrian facilities can be more attractive and functional.
 GOAL: Visually appealing rights-of-way that serve the needs of all users.
 OBJECTIVES:
- Employ smart, cost effective designs.
 - Use designs that recognize the needs of all users.
 - Incorporate attractive visual elements into rights-of-way design.
5. ISSUE: Obstacles to efficient and safe traffic flow.
 GOAL: A safe and efficient transportation system characterized by convenient connections and steady traffic flow.
 OBJECTIVES:
- Identify obstacles to traffic flow.
 - Remove or minimize impediments to traffic flow.
 - Manage traffic demand.
6. ISSUE: Deteriorated conditions of City streets and County roads.
 GOAL: City streets and County roads maintained at safe standards.
 OBJECTIVES:
- Equitably share the cost of maintaining roadways.
 - Timely response to public needs.
7. ISSUE: Resources for transportation improvements should be rationally allocated throughout City neighborhoods and County townsites.
 GOAL: Rational consideration of all City neighborhoods and County townsites when allocating transportation improvement funds.
 OBJECTIVES:
- Select projects based on a needs assessment.
 - Reduce waste through coordination of projects.

8. ISSUE: More people should ride the MET.

GOAL: Reduced traffic congestion in Billings.

OBJECTIVES:

- Elevate the status of bus riding.
- Make bus-riding convenient.
- Establish a reward system for riders.

9. ISSUE: The sidewalk system in the City needs upgrading; many sidewalks are cracked and broken, several critical sections are missing, and important sidewalk routes are not adequately maintained.

GOAL: Well maintained network of safe and interconnected sidewalks.

OBJECTIVES:

- Improved public safety.
- Promote healthy lifestyle.
- Reduce traffic.

10. ISSUE: Lack of circulation connection in subdivisions and City neighborhoods.

GOALS: Increased circulation connections for improved traffic flow.

OBJECTIVES:

- Increased number of outlets in larger subdivisions.
- Multiple options for intra-neighborhood travel.

11. ISSUE: Some gravel County subdivision roads are dusty and rough due to the nature of aggregate surfaces.

GOAL: Improve quality of County subdivision roads.

OBJECTIVES:

- Improve safety.
- Increase property values.
- Reduce maintenance.
- Improve quality of life.
- Improve air quality.

Public Services

1. ISSUE: Residents are not adequately informed of County and City projects.

GOAL: An effective public notification system.

OBJECTIVES:

- Enhance public involvement.
- Provide timely and accurate public notification.
- Increase contact with news media.

2. ISSUE: Dilapidated and unsafe properties in City neighborhoods and County townsites.

GOAL: Sanitary and safe properties.

OBJECTIVES:

- Provide helpful and responsive public services.
- Improve the community image.

- Increase property values.
3. ISSUE: Safety is a concern in neighborhoods and outlying County townsites.
GOAL: Protect public lives and property
OBJECTIVES:
- Ensure adequate public service to all residents.
 - Utilize scarce resources wisely and employ cost effective techniques.
 - Maintain acceptable levels of service in existing City neighborhoods when expanding service to new areas.
4. ISSUE: Public funds are not distributed rationally throughout City neighborhoods and County townsites.
GOAL: Rational consideration of all City neighborhoods and County townsites for public funds expenditures.
OBJECTIVES:
- Identify and prioritize neighborhood needs.
 - Empower public to provide direction on capital improvements expenditures.
 - Leverage public funds with other resources.
5. ISSUE: There are vacant structures around Billings and in the County that could be reused.
GOAL: Adaptive reuse of vacant structures.
OBJECTIVES:
- Conserve resources.
 - Preserve historic or cultural landmarks.
 - Take advantage of economic development opportunities.
 - Preserve neighborhood integrity.
6. ISSUE: Subdivision review, zoning applications, and other development permit review is not always conducted in a streamlined and timely manner.
GOAL: Predictable and timely development review procedures.
OBJECTIVES:
- Expedite review process.
 - Actively enforce development regulations.
 - Be responsive to applicants' needs.
 - Provide adequate Planning Department staff for review purposes.

Cultural and Historic Resources

1. ISSUE: Historic landmarks and structures are being lost to neglect and development.
GOAL: Identification and protection of the historical, archeological, and cultural resources of Yellowstone County.
OBJECTIVES:
- Improve awareness of historic and cultural resources.
 - Increase property values through structural rehabilitation.
2. ISSUE: The public desire for art is significant but unmet. The Horse of Course project was a huge success
- County Zone Change Application 2009

which demonstrated a strong desire for public art.

GOAL: Enhance public spaces with art and cultural opportunities.

OBJECTIVES:

- Create memorable images.
- Improve the community's cultural interest.
- Create a sense of place.
